Roof Curbs

We Can Do It.

NAI produces a complete line of roof top equipment mounting devices. Shown above is our **Vibcurb** spring isolated curb with pipe enclosure support pedestals. We also manufacture flashable spring rails and isolators.

Our curbs are built strong, with 12 gauge galvanized sheet metal and can be ordered with floor pans, perforated double wall panels, sound attenuators, smoke dampers ... Anything that can be installed in a curb **we can do it!**
